NEEDS CONTINUED:

September - Ease the Cost of Education for Christian Leaders in Cambodia

The Christian church in Cambodia was nearly wiped out in the late 1970s under the brutal Khmer Rouge regime. Since the return of peace, the church has steadily grown. New leaders with a passion for sharing the gospel and starting churches receive theological education through the Phnom Penh Bible School (PPBS). Unfortunately, the cost of tuition, housing, meals, books, and additional fees are often too high for students to pay on their own. Your gift to the scholarship fund will help ease the cost of education for the next generation of Christian leaders in Cambodia.

October - Empower Local Guatemalan Leadership to Create Holistic Community Transformation

Collaborating with Children's Hopechest, you can empower local leaders in the Pueblo Modelo community to share the gospel and train them to implement systems that will create holistic transformation in the community--primarily through educational resources and schools.

Without adequate supplies, medical clinics cannot meet their patients' needs. Your gift provides life-saving medical care and immunizations around the globe. A gift to Heal One provides individualized medical care for a person in need.
